The European Patent Office

An introduction to the EPO and the PES Programme

The EPO at a glance

Our mission

We provide patent protection for inventions in up to 40 European countries on the basis of one single application

Our locations:

Munich (headquarters),
The Hague, Berlin,
Vienna and
Brussels

2nd largest
intergovernmental
institution in Europe

Self-financing:

Budget of **EUR 2.4bn**
without any public funding

7 000  employees, of which around **4 300**  highly
qualified patent examiners working in all fields of technology

Our mission

As the patent office for Europe, we support innovation, competitiveness and economic growth across Europe through a commitment to high quality and efficient services delivered under the European Patent Convention.

Our status

- **Second-largest intergovernmental institution** in Europe
- Not an EU institution
- **Self-financing**, i.e. revenue from fees covers operating and capital expenditure

We provide patent protection to an area of 700m inhabitants

38 European member states

Our role in the European grant procedure

- provide **patent protection** in up to 44 countries in Europe and beyond, based on a single application, and we **are responsible** for:
 - limitation and revocation by patentees,
 - opposition by third parties,
 - appeal proceedings before the Boards of Appeal.

Pan European Seal Programme

PES Programme provides **high-achieving young** university graduates with valuable on-the-job **professional work experience** in the multicultural environments of EPO and EUIPO.

- Runs in partnership with EUIPO since **2015 – 2016** starting with **35** trainees,
- Traineeship agreements with more than **75 [partner universities](#)** from **35** European countries,
- For the year 2020-2021, the EPO will offer more than **90** traineeships throughout all the units of the Office.

Benefits of the PES Programme

- **working in an international organization** which will enrich the student's perspective and contribute to their professional growth
- **guidance** on different career pathways in the IP business,
- a chance to **gain real work experience**, while keeping the work-life balance in order,
- **on-the-job coaching** from an EPO mentor,
- **language courses** (French, German),
- **online trainings & classroom trainings** (covering patents, trademarks, designs and enforcement),
- **personal development and growth.**

Pan European Seal Programme - Application

- PES Candidates at the EPO are to be shortlisted by:
 - partner Universities
 - EUIPO (*exchange programme*)
- **Shortlisted** students are to submit their [application online](#) in order to be considered for the traineeship.
- **Only online applications** of the shortlisted candidates will be considered.
- Traineeship vacancies are foreseen in the following areas:
 - Science & Engineering
 - Human Resources & Business Administration
 - International Relations & Communication

Pan European Seal Programme – Documents

Application documents

- **motivation letter** including the preferred business area,
- **curriculum vitae**,
- **degree/Master diploma** (it can be replaced by a provisional declaration, until the final diploma is issued),

Upon start of traineeship

- **certificate(s) of completion of the e-learning course(s)** as indicated below, depending on the graduate's profile (*e-courses are free of charge*):
 - [Introduction to the European patent system](#) (*mandatory for all*)
 - [Using CPC](#) (*mandatory for science and engineering only*)
 - [The EPO as PCT authority](#) (*mandatory for all other academic areas*)

Pan European Seal Programme – Selection process

- Shortlisted candidates are to submit their applications through the e-recruitment tool available [here](#) by **18 May 2020**,
- Suitable candidates will be invited to a phone/Skype **interview** (May - June 2020),
- Communication of results to the candidates will be completed by **30 June 2020**,
- The traineeship will start of **14 September 2020** at the EPO premises in Munich, Germany.
- More information is provided in the [PES webpage](#).
