About NCCU ISS

Taiwan, a global leader in **technology** and **innovation**, offers unparalleled opportunities to explore East Asia's economics, business strategies, and cutting-edge industries. As the leading institution in **humanities**, **social sciences**, and **commerce**, NCCU hosts the transformative International Summer School (ISS), a 6-week journey that blends **Mandarin learning**, **English-taught courses**, and **cultural excursions**, empowering students to engage with Taiwan's dynamic development and enhance their global competence.

What you will experience...

Top-Ranked Education

Gain insights through premier courses in **politics**, **international relations**, **history and the arts**, **East Asian culture**, **Asian social development**, and **business management**—NCCU's top-ranked academic fields—alongside exclusive visits to governmental and industry sites.

Immersive Mandarin Program

Engage in a dynamic short-term Mandarin program featuring traditional Chinese cultural workshops and interactive language corners for connecting with local students.

Diverse Cultural Excursions

Discover Taiwan's rich heritage, breathtaking natural landscapes, and vibrant urban charm through a variety of cultural excursions.

Eligibility

- Applicants must be **currently enrolled** in a university-level institution.
- Applicants wishing to enroll in English-taught academic courses must provide proof of **English proficiency**. Accepted tests and minimum scores are as follows: TOEFL iBT 80, IELTS 6.0, TOEIC 880+, Duolingo Test 110, or equivalent certifications approved by the NCCU ISS Team.
